Your hospital cover

What's covered

- ✓ All clinical categories are included under your level of cover, but only as a private patient in a public hospital shared room.

What's restricted

All services on this level of cover are restricted to the equivalent rate for a private patient in a public hospital shared room. Should you choose treatment in a private hospital (or a private room) you will incur significant out-of-pocket-expenses.

You are eligible for a once-per-lifetime upgrade to a higher level of hospital cover to receive hospital psychiatric services, without a waiting period. You must have held continuous hospital cover for at least two months to be eligible for this exemption.

What's excluded

Services not approved by Medicare, i.e. where Medicare pays no benefit. Such as elective cosmetic surgery.

Your hospital cover gives you

For services under 'What's covered'

- ✓ Choice of doctor from those associated with the public hospital you attend
- ✓ Minimum default benefits for a shared room in a public hospital
- ✓ Up to 100% of doctors' fees if your doctor chooses to use Access Gap
- ✓ 100% of the listed benefit for prostheses on the Australian Government Prostheses List
- ✓ Up to \$1000 is available for private midwife services for delivery at home or in private practice. If a doctor or obstetrician is required to intervene in the delivery no benefits will be payable towards the private midwife services
- ✓ For ante/post natal services provided by a registered midwife Defence Health will pay \$40 per antenatal and \$80 per postnatal visits up to \$500 per person each calendar year
- ✓ Hospital substitute treatment in your home for treatments such as wound management and intravenous therapy through selected hospitals
- ✓ Rehabilitation in the home with access to a range of rehabilitation and healthcare services.

What's not covered

Situations when you will not be covered include:

- ✗ Theatre, labour ward and intensive care costs at a private hospital
- ✗ Private room in a public or private hospital will lead to significant out-of-pocket expenses
- ✗ Treatment not clinically necessary or approved under Medicare such as elective cosmetic surgery
- ✗ Treatment received while serving a waiting period
- ✗ Treatment provided as an outpatient in a hospital
- ✗ Treatment for which a Medicare benefit is not payable (apart from rehabilitation, hospital psychiatric services and palliative care)

- ✗ Pharmaceuticals provided on discharge or unrelated to the reason for hospitalisation
- ✗ High cost drugs that aren't covered under the Pharmaceutical Benefits Scheme (PBS) or hospital contract
- ✗ Personal items such as newspapers, toiletries or television
- ✗ Accommodation in an aged care facility

- ✗ Hospital stays beyond 35 days where further care is not agreed between the hospital and Defence Health (this will incur out-of-pocket expenses)
- ✗ Surgery by a non-registered podiatric surgeon (when provided by a registered podiatric surgeon, hospital benefits will be paid at the default rates and a limited benefit is payable for the podiatric surgeon's fees)
- ✗ This cover is not suitable for overseas visitors who do not have full Medicare entitlements.

Your hospital cover *continued*

Hospital waiting periods

From the date you join Defence Health, upgrade your cover or reduce your excess, a waiting period may apply before you can claim on new or higher benefits. The following waiting periods apply:

- ✓ 12 months for pre-existing conditions (excluding hospital psychiatric services, rehabilitation and palliative care)
- ✓ 12 months for pregnancy and birth
- ✓ 2 months for hospital psychiatric services, rehabilitation and palliative care
- ✓ 2 months for all other included services (including non-emergency ambulance)
- ✓ Cover for an accident is immediate, including ambulance services.

If you transfer to us from an equivalent level of cover with an Australian health fund, the waiting periods you've already served (on included services) will be honoured by us. All waiting periods need to be re-served after a break in cover of more than 60 days.

Ambulance treatment

Comprehensive cover for ambulance services by state-appointed ambulance providers across Australia. This includes emergency services, non-emergency dispatch, mobile intensive care and air and sea ambulance services.

Patient transport services are not ambulance services and are not claimable.

Pre-existing conditions

A pre-existing condition is an illness, ailment or condition where signs or symptoms existed in the six months prior to you joining or upgrading to a higher level of cover; whether you or your doctor knew of them or not.

Only a medical or other health professional appointed by Defence Health is authorised to determine whether you have a pre-existing condition.

If you need treatment in the first 12 months of joining for a condition that could be pre-existing, we will ask your doctor to complete a medical report. This will help our appointed medical advisor to assess if your condition was pre-existing. You should talk to us before going into hospital.

Going to hospital

Before you make any decisions about your hospital choice or procedures, check exactly what your level of cover includes and that you have served any waiting periods.

Make sure you review what is and isn't covered under your level of hospital cover.

Always ask your doctor what they will charge and if they will participate in our Access Gap scheme to reduce or eliminate out-of-pocket costs for you.

Why does my specialist need to participate in Access Gap?

When you go to hospital, Defence Health and Medicare will cover the MBS fee for your procedure. The MBS fee is set by the Federal Government and caps the amount health funds can cover for your treatment.

Doctors can choose to charge more than the MBS fee and that's when you may incur the out-of-pocket cost or 'gap' payment.

What is Access Gap?

Access Gap is a billing scheme where Defence Health pays a higher benefit for your medical procedure to help reduce or eliminate your out-of-pocket expenses.

This results in one of two scenarios:

- ✓ No Gap: Defence Health covers the gap completely
- ✓ Known Gap: The maximum you will pay per doctor, per hospital episode.

How do I get Access Gap Cover?

When you're planning to go into hospital as an in-patient, ask your doctor if they'll agree to participate in Defence Health's Access Gap.

If they say no, you can search for doctors who may participate in our Access Gap scheme at defencehealth.com.au/accessgapdoctor or you can obtain another referral from your GP.

Informed financial consent

Your doctor is obliged to obtain your informed financial consent.

This should include:

- Each MBS item number and the fee that will be charged
- What you'll pay for each doctor involved, including your anaesthetist
- What you'll pay for your accommodation, and use of the operating theatre
- What you'll pay for any prostheses you are having
- Your signature, or the signature of your guardian.

If you have these details, you can call us on 1800 335 425 and we can confirm any out-of-pockets your doctor may charge you.

We're here to help

Things you need to know about extras

Know your annual limits

All of the goods and services claimable under extras cover have annual per person limits.

Once the annual limit has been reached on a service, no further benefits are payable in that financial year. Most limits re-set on 1 July each year. Benefits, limits and payment conditions are assessed according to the date of service.

Benefits and limits are subject to change.

Check your available limits by logging onto your Online Member Services account, at defencehealth.com.au/members

If you've reached your limits, consider whether a higher level of cover is right for you. We're happy to help, just give us a call.

Claiming extras benefits

Many health care providers (like dentists, optometrists and physiotherapists) can swipe your member card on-the-spot through an electronic terminal. Your benefit is automatically credited to the account and you then settle any outstanding amount. A list of providers who offer on-the-spot claiming is available on our website, defencehealth.com.au/extrasprovider

If your provider doesn't offer on-the-spot claiming you can:

- claim through Online Member Services (for most services) at defencehealth.com.au/members
- claim on your smartphone through our Mobile Claiming App
- download and complete a claim form from our website, and either:
 - email it with your receipts to claims@defencehealth.com.au
 - fax it and your receipts to 1800 241 581
 - post it and a copy of the account to us: Defence Health, PO Box 7518, Melbourne, Victoria, 3004

Please hold onto your receipts for 2 years.

Claiming conditions

The most common claiming conditions are:

- All services must be provided by an approved practitioner in private practice
- Claims must be lodged within 2 years of receiving the service
- Benefits are only payable on goods and services purchased in Australia. When purchasing eligible items online the supplier must be recognised and a registered Australian provider or company
- Benefits are not payable when they can be claimed from another source such as workers compensation, Department of Veterans' Affairs or third party insurance
- Extras benefits are not payable where Medicare has been or is available to be claimed.

We recognise all extras providers who are registered with their professional body and in the case of approved alternative therapies, those recognised by the Australian Regional Health Group. Remedial massage providers must also hold at least a Diploma of Remedial Massage to be recognised.

If you are unsure whether a practitioner is registered with us, just give us a call on 1800 335 425.

Full claiming conditions are available on our website at defencehealth.com.au/claim

Extras waiting periods

When you join Defence Health or upgrade your existing cover, you may have a waiting period before you can claim new or higher benefits. Treatment received during the waiting period cannot be claimed.

Cover for an accident is immediate, including for ambulance services.

Remember, if you transfer within 60 days from an equivalent level of cover with another health fund you won't have to re-serve the waiting periods you've already completed. If you have a break in cover greater than 60 days you will have to re-serve all waiting periods.
