Things you need to know about extras

Know your annual limits

All of the goods and services claimable under extras cover have annual per person limits.

Once the annual limit has been reached on a service, no further benefits are payable in that financial year. Most limits re-set on 1 July each year. Benefits, limits and payment conditions are assessed according to the date of service.

Benefits and limits are subject to change.

Check your available limits by logging onto your Online Member Services account, at defencehealth.com.au/members

If you've reached your limits, consider whether a higher level of cover is right for you. We're happy to help, just give us a call.

Claiming extras benefits

Many health care providers (like dentists, optometrists and physiotherapists) can swipe your member card on-the-spot through an electronic terminal. Your benefit is automatically credited to the account and you then settle any outstanding amount. A list of providers who offer on-the-spot claiming is available on our website, defencehealth.com.au/extrasprovider

If your provider doesn't offer on-the-spot claiming you can:

- claim through Online Member Services (for most services) at defencehealth.com.au/members
- claim on your smartphone through our Mobile Claiming App
- download and complete a claim form from our website, and either:
 - email it with your receipts to claims@defencehealth.com.au
 - fax it and your receipts to 1800 241 581
 - post it and a copy of the account to us: Defence Health, PO Box 7518, Melbourne, Victoria, 3004

Please hold onto your receipts for 2 years.

Claiming conditions

The most common claiming conditions are:

- All services must be provided by an approved practitioner in private practice
- Claims must be lodged within 2 years of receiving the service
- Benefits are only payable on goods and services purchased in Australia. When purchasing eligible items online the supplier must be recognised and a registered Australian provider or company
- Benefits are not payable when they can be claimed from another source such as workers compensation, Department of Veterans' Affairs or third party insurance
- Extras benefits are not payable where Medicare has been or is available to be claimed.

We recognise all extras providers who are registered with their professional body and in the case of approved alternative therapies, those recognised by the Australian Regional Health Group. Remedial massage providers must also hold at least a Diploma of Remedial Massage to be recognised.

If you are unsure whether a practitioner is registered with us, just give us a call on 1800 335 425.

Full claiming conditions are available on our website at defencehealth.com.au/claim

Extras waiting periods

When you join Defence Health or upgrade your existing cover, you may have a waiting period before you can claim new or higher benefits. Treatment received during the waiting period cannot be claimed.

Cover for an accident is immediate, including for ambulance services.

Remember, if you transfer within 60 days from an equivalent level of cover with another health fund you won't have to re-serve the waiting periods you've already completed. If you have a break in cover greater than 60 days you will have to re-serve all waiting periods.
